20 writing tasks

11 plus

1. A loud crash echoed through the quiet house.
2. When I opened the old book, a small key fell out.
3. The moment the bus doors closed, I knew I'd made a huge mistake.
4. Something strange was happening in our street that morning.
5. It wasn't supposed to rain that day - but it did, and it changed everything.
6. The note simply said: *Meet me at midnight.*
7. Everyone had a superpower... except me.
8. The smell of smoke drifted through the air as I ran towards the noise.
9. We had always been told never to go near the old railway tunnel.
10. As soon as I saw the footprints, I knew I wasn't alone.
11. The moment the lights went out, someone screamed.
12. My little brother had found something buried in the garden.
13. The new neighbour's house was always dark but one night a light flickered on.
14. It was meant to be an ordinary school trip... until we got lost.
15. When I looked at the photograph again, something had changed.
16. The competition prize wasn't what I expected.
17. No one believed me when I said I'd seen it.
18. I didn't mean to press the button.
19. The box arrived with no name, no address, and no return label.
20. For a moment, time seemed to stop.
