

Over 65 million dinosaurs roamed the earth One dinosaur was called Frank he was Tryseratops and lived in the jungle. With his brother called Jack, his mum called Mary and there called John. They were pretty happy, but one day...

An asteroid fell from the sky, but luckily Frank had a friend who was a Therrodactyl named

.....  
Once a pon a time there lived a humungus dinsor he was very friendly and kind and now the story begins it was a cold freezing frozen winter morning the children when to school and they all said good morning miss hon - A DINASOR AAAH... the dinasour was very sad what did I do" no replys the dinasour speecs um I cam from some where els to some where els and you came from some where els.

Cant you see I'm a huge gigantic dinasour oooh all the children say caan eneeeee bodyyyy likeeee dinasourssss me me me good let's have a dinsour party

.....  
Dinosors were living a piecefully life. When more dinosors came. And they were having a fight and every dinosor were shoked to see them because they wernt aloud in the forest.

they started fighting an one of them died every one was sad because he was the king

.....  
One day bob the dinosaur was jumping around into he tripped over a tree stem and fell into a holl he was scared into he saw light leading into a horried tunel he follod the light into he bumbet into a rabbit. Bob said How do you get out of hear, the rabbit said I don't live hear I fell down that hole there.

bob said same I tripped over a stem and fell in the holl the rabbit said do you now the way out, bob said no I don't

.....  
Once upon a time in a normal world it was night time and the moon was glazing thru windows, morning rose and the sun was shining and then outside in a school field dinsors were playing football.

And in lots, and, lots classrooms pupils kept hearing weird noises and they didn't now that in was the dinosors that was making the noises.

And then at the end of the day some people had a club and they go on the field to play their
